MEMORANDUM FOR: Project Director

THROUGH : Project Director of Administration

SUBJECT : Termination of [REDACTED] Contract Pilot 25X1A9a

1. This memorandum contains in paragraph 6 a request for your approval of the proposed separation action on [REDACTED] as set forth herein. 25X1A9a

2. Effective close of business 23 January 1958, [REDACTED] employment with Project AQUATONE will be terminated. [REDACTED] will be reinstated in the Air Force effective 24 January. 25X1A9a

3. [REDACTED] termination is, in part at least, the result of a decision to reduce the overall pilot strength of the Project. In effect, the contemplated activities of the Project have been discontinued for a certain number of the Project contract pilots. Under this concept [REDACTED] is guaranteed, by the provisions of paragraph 3b of his contract, to be continued in an operational duty status for a period of 90 days. However, neither [REDACTED] nor the Project has anything to gain by continuing [REDACTED] on the Project T/O for the full 90-day period. A mutual agreement has been reached between [REDACTED] the Air Force and the Project, as represented by the undersigned, whereby [REDACTED] will be terminated from the Project and reinstated in the Air Force on the days set forth in paragraph 2 above. 25X1A9a 25X1A9a 25X1A9a 25X1A9a

4. The 90-day period was effective on 2 December, the date of his arrival at Headquarters from overseas. At the end of December [REDACTED] received his regular monthly pay. It is proposed that at the time of [REDACTED] separation from the Project (23 January 1958) he shall receive a normal pay check for 23 days salary for January and, in addition to this, he will receive a termination consideration in the amount of \$1,850, which amount constitutes the balance of the 90-day period at the rate provided for operational duty status in U. S. 25X1A9a 25X1A9a

5. [REDACTED] termination will be effected by means of a new contract, a copy of which is attached. 25X1A9a
